

NANDHISH N. NUCHINA

CLINICAL RESEARCH | TRIAL SUPPORT | REGULATORY COORDINATION

Windsor, CT | Open to Relocation Nationwide | 860-796-0187 | nandhishn@gmail.com | nandhishnuchina.com | [LinkedIn](#)

PROFESSIONAL SUMMARY

Life-sciences and legal professional with a B.S. in Molecular & Cell Biology, hands-on molecular-biology research, enrolled clinical-research-coordination training, and in-progress clinical-informatics training. Brings laboratory protocol adherence, research traceability, confidential records management, data review, project tracking, technical writing, and cross-functional coordination to entry-level Clinical Trial Assistant, Clinical Regulatory Coordinator, Study Start-Up, and clinical research support roles. Pursuing an M.S. in Regulatory Science.

CORE QUALIFICATIONS

Research Documentation & Traceability | Laboratory Protocol Adherence | Confidential Records Management | Data Quality & Analysis | Project & Deadline Tracking | Clinical Informatics Training | Regulatory Documentation Fundamentals (coursework) | Technical Writing | Stakeholder Coordination | Molecular Biology Methods | Advanced Excel/VBA

EDUCATION & CLINICAL RESEARCH TRAINING

M.S. in Regulatory Science

University of Maryland School of Pharmacy | Baltimore, MD | Enrolled; program begins Aug 2026

Expected May 2028

B.S. in Molecular & Cell Biology, Chemistry Minor

University of Connecticut | Storrs, CT | GPA: 3.921

Dec 2024

Juris Doctor

New York University School of Law | New York, NY

May 2012

B.S. in Economics; B.S. in Statistics, summa cum laude

The George Washington University | Washington, DC | Phi Beta Kappa

May 2009

Clinical Research Coordination Level 1 Digital Badge: Rutgers School of Health Professions / NJ ACTS | Expected October 2026

Certificate in Clinical Informatics and Data Science: Rutgers Robert Wood Johnson Medical School / NJ ACTS | Three-digital-badge sequence, in progress; expected Dec 2026

RAPS Foundation in Regulatory Affairs (FRA) credentials: Introduction to Pharmaceuticals (May 2026); Introduction to Medical Devices (Jun 2026)

Entry to Regulatory: Introduction to Regulatory Affairs: Case-based drafting of regulatory work products; Jun-Sep 2026 cohort, in progress

Additional Qualification: Passed the Connecticut Uniform Bar Examination (Jul 2025) | UBE score: 321

RESEARCH EXPERIENCE

Apprentice & Mentor

UConn iGEM Apprenticeship Program | Storrs, CT

Jan 2024 - Dec 2024

- Performed PCR, restriction digestion, plasmid cloning, and gel electrophoresis on projects addressing water pollutants and toxins while following team protocols and laboratory procedures.
- Maintained laboratory notebooks documenting protocols, experimental observations, and results to create complete, traceable records for team review.
- Trained and mentored students on laboratory techniques and notebook practices, reinforcing procedural consistency and accurate knowledge transfer.

PROFESSIONAL EXPERIENCE

Assistant Clerk I - Accredited

State of Connecticut Judicial Branch, Middlesex Judicial District | Middletown, CT

Dec 2025 - Present

- Manage high-volume official records, orders, exhibits, and case files with accuracy, confidentiality, and adherence to established procedures.
- Coordinate judges, attorneys, litigants, witnesses, and staff across in-person and remote proceedings; track case progression and communicate status and next steps.
- Review filings, defaults, motions, and requested remedies and prepare judicial documents to support timely, complete case processing.

PROFESSIONAL EXPERIENCE - CONTINUED

Project Manager & Team Lead

Dec 2014 - Aug 2017

Quest Global (RTX Programs) | East Hartford, CT

- Tracked cost and schedule performance and produced recurring EVMS status reports using SAP, EV Tools, Dassian, and WinSight for cross-functional aerospace programs.
- Developed Excel/VBA data-processing tools adopted across teams, improving reporting efficiency, consistency, and data quality.
- Prepared data and technical documentation for Integrated Baseline Reviews, supporting organized review and responses to reviewer questions.

ADDITIONAL RESEARCH & DOCUMENTATION EXPERIENCE

Student Clinic Participant

Aug 2011 - Dec 2011

NYU Civil Litigation Clinic / U.S. Attorney's Office, Eastern District of New York | Brooklyn, NY

- Researched the Federal Food, Drug, and Cosmetic Act, False Claims Act, and related authorities; synthesized source materials and factual records into written analyses and drafted litigation documents requiring careful review and factual accuracy.

Legal Intern

May 2011 - Aug 2011

Office of the Connecticut Attorney General, Department of Consumer Protection | Hartford, CT

- Conducted regulatory and legal research, compared factual records with governing standards, and prepared memoranda, discovery, complaints, and case-evaluation materials for attorney review.

Legal Intern

May 2010 - Aug 2010

Queens Legal Services, Foreclosure Prevention Unit | Jamaica, NY

- Gathered sensitive financial and hardship information, prepared complete documentation packages and written responses, and communicated documented facts in court-mandated settlement conferences.

Volunteer Chat Navigator

Sep 2025 - Present

Statewide Legal Services of Connecticut | Remote

- Triage live chats, identify issues, route users to appropriate legal-aid resources, and communicate clear next steps while safeguarding sensitive information.

ADDITIONAL SCIENTIFIC EXPERIENCE

- Biochemistry laboratory: isolated proteins using ion-exchange and size-exclusion chromatography.
- Organic chemistry laboratory: synthesized and analyzed compounds using TLC, extraction, filtration, recrystallization, and simple, fractional, and vacuum distillation.
- Microbiology laboratory: performed bacterial cell culture in laboratory coursework.

TECHNICAL SKILLS

Laboratory Research: PCR, restriction digestion, plasmid cloning, gel electrophoresis, laboratory notebook documentation

Laboratory Coursework: Chromatography, protein isolation, organic-compound synthesis and analysis, bacterial cell culture

Data & Software: Excel (advanced), VBA, SAS, Microsoft 365, SAP, EV Tools, Dassian, WinSight, Westlaw, LexisNexis, basic Python

Languages: English (fluent); Simplified Mandarin: HSK 3.0 (2025) Level 4 in progress; Kannada (intermediate speaking, strong listening comprehension)

PROFESSIONAL AFFILIATIONS

Food and Drug Law Institute (FDLI), Member | 2026-Present

Regulatory Affairs Professionals Society (RAPS), Member | 2026-Present
